NOTE

This document has been converted from the original paper format to electronic format without substantive change in series coverage or grading criteria. It was reviewed to correct errors that may have been introduced during the conversion process. In some standards minor corrections were made such as updating references to other documents that may have become obsolete, or correcting minor typographical errors in the original standard. Any errors that remain due to conversion to electronic format should be minor and are not intended to change the meaning of the original standard. If you find an error in any document on this CD, please send a FAX to HRCD - Perfection, 202-606-4891, or send a note to HRCD - Perfection, Office of Classification, U.S. Office of Personnel Management, 1900 E Street, NW, Washington, DC. The Internet e-mail address is HR.CD@opm.gov. Identify the document, page, and error. Thank you for bringing any errors to our attention.

If you find page references near the right hand margin of this standard they indicate the pagination of the official, printed version of this standard. For example, a notation "PAGE 2, 4/88, TS-87" would mean that (1) page two of the printed version begins here, (2) the date of issuance was 4/88, and (3) the Transmittal Sheet number was TS-87.

Supply Group

GS-2000

CONTENTS

SERIES DEFINITION	1
EXCLUSIONS	1

SERIES DEFINITION

This group includes positions which involve work concerned with furnishing all types of supplies, equipment, material, property (except real estate), and certain services to components of the Federal Government, industrial, or other concerns under contract to the Government, or receiving supplies from the Federal Government. Included are positions concerned with one or more aspects of supply activities from initial planning, including requirements analysis and determination, through acquisition, cataloging, storage, distribution, utilization to ultimate issue for consumption or disposal. The work requires a knowledge of one or more elements or parts of a supply system, and/or supply methods, policies, or procedures.

EXCLUSIONS

Excluded from this group are positions concerned with furnishing supplies, equipment, and material when the paramount requirement of the position is a specialized knowledge characteristic of another occupational group, such as a knowledge of business and trade practices, of professional engineering, or of accounting (see [GS-1100-0](#), [GS-800-0](#), or [GS-500-0](#) Groups).
